

BERNARDON

ARCHITECTURE
INTERIOR DESIGN
LANDSCAPE ARCHITECTURE

Dream. Design. Succeed.

Established locally in 1973, Bernardon is an award-winning architecture, interior design, and landscape architecture firm. The people of Bernardon have a passion for delivering high quality design in a collaborative, imaginative, innovative, and enjoyable environment. Our offices are in the heart of great downtown and urban settings – Philadelphia, PA, West Chester, PA, and Wilmington, DE.

We are currently seeking an **Architectural Designer in our West Chester, Pennsylvania office**. Come join our vibrant staff as we continue to expand our presence in the region. Our diverse portfolio spans across several markets sectors providing opportunities to grow with the firm. We offer competitive compensation and robust benefits package.

Responsibilities – *the stuff we trust you with*

- Generating design concepts
- Preparing architectural plans and modeling
- Observing and/or surveying architectural features of structures in the field

Behaviors – *the just as important stuff*

- **Proactive:** We come to our clients, managers, and meetings with well-developed solutions
- **Accountable:** We can give a satisfactory answer/reason for everything we do
- **Consistent:** Our actions are in pursuit of the common goal
- **Self-starter:** Motivated to continue to learn and grow
- **Supportive:** We provide one another assistance and encouragement and strive to make work fun

Key results – *the results we need*

1. Delivery of high-quality design and documents
2. Represent the firm and build the brand with professionalism in all activities
3. Work within scope, budget, and timeline

Qualifications – *what you bring to the table and the stuff we can't do without*

- Degree in Architecture
- 1-3 years of experience working in an Architectural office environment
- Working knowledge of REVIT and Sketch-up.
- Knowledge of Adobe Suite of programs, Microsoft Word and Excel
- Design digital modeling abilities
- Ability to clearly exchange information with other team members, both written and verbally.
- Passion for Architecture and thrives working with a collaborative team
