- Actively contribute to the external and internal personification of the goals of the Bernardon Health market group.
- Support firm leadership with the development and execution of marketing strategies.
- Build and strengthen client relationships through a comprehensive understanding of their needs and mitigation of potential roadblocks.
- Provide management-level leadership for successful, profitable projects and actively leads teams required to execute exemplary projects.
- Ensure that all staff has a high level of success in their role on assigned projects.
- Maintain membership and leadership roles in professional societies and industry organizations to stay abreast of the latest trends and developments in healthcare facilities design.
- Other duties as assigned.

Credentials

Education:

- Bachelor of Architecture; Master of Architecture preferred.
- EDAC, ACHA, or other healthcare-specific certification preferred.

What you get in return:

- Career growth and opportunities for advancement.
- Strong, collaborative team spirit.
- Competitive Salary.
- 100% employer-paid basic plan coverage, plus additional plan options.
- Paid holidays and generous time off.
- Summer hours.
- Paid parental leave.
- Snack Bar-ardon (onsite snacks and drinks).
- And more!

Bernardon is committed to building the best team and we are committed to fair hiring practices where we hire people for their potential and advocate for diversity, equity, and inclusion. As such, we do not discriminate or make decisions based on your race, color, religion, creed, ancestry, sex, national origin, age, disability, familial status, marital status, military status, veteran status, sexual orientation, gender identity or expression, or any other protected class. All job requirements are subject to possible revision to reflect changes in the position requirements. Reasonable accommodations may be made to enable individuals with disabilities to perform essential functions and expectations.
